Give the gift of a "Good Nights Sleep" today

Since September of 2002 The Midnight Mission has established a special program to provide an outdoor sleeping area for homeless individuals within the boundaries of the Midnight Mission parking lot. **Project Safe Sleep** is open seven (7) nights a week and is operational year round from 7 pm to 6 am. We allow our guests a safe place to sleep off of the streets while still maintaining their independence.

Project Safe Sleep offers the following amenities for homeless individuals who are currently sleeping on the streets:

- *Sixty-five (65) beds with blankets, sheets and pillows*
- *Safe outdoor heating lamps*
- *Shelving for personal storage*
- *Uniformed overnight security personnel*
- *Opportunity to meet with on-site Case Manager for referral & assistance*
- *Appropriate lighting for movement & safety*
- *Supplementary accommodations from the elements when it rains*
- *Opportunity to attend nightly drug & alcohol rehabilitation meetings*
- *Opportunity to attend Sunday worship services*
- *Restroom facilities*
